

Hi <First Name>

We have finalized our team roster for this year's West Ottawa U16 girls team. Unfortunately, you were not one of the players selected.

This year's team is quite strong, with players trying out who have competed at a competitive level for years with West Ottawa, as well as Nepean, Naismith Basketball, Ottawa South, and other associations.

I liked a lot of what I saw from you at tryouts, including your athleticism, your effort, and your defensive intensity. The areas I think you should keep working on are your ability to dribble with both hands while keeping your eyes up to have good court vision, and your shooting efficiency. I do truly believe that you could play at a competitive level and I hope to see you on another team this season.

I really appreciated you participating in the tryout and I wish you the best of luck in your basketball season and in your school year.

Warm Regards,  
Coach Mark
